LOT 582

A mauve and white enamel collar necklace, probably Scandinavian (the clasp lacking), an amethyst and citrine necklace and a pale pink gem set pendant necklace with foliate motifs.

Estimate: £100 - £150

Condition Report

582. Enamelled neckchain - a few of the mauve enamel panels are chipped or damaged, with the resultant loss of enamel. A part of the clasp is missing. Amethyst and citrine pendant - the amethysts are of pale colour saturation. The citrine is of medium to pale colour saturation. Pale pink gem set necklace - in generally good condition. All would benefit from careful professional cleaning.
