

British and Continental Ceramics and Glass / Thursday, 12th July 2018 / Lot 1545

LOT 1545

A Moorcroft pottery vase, circa 1916-23, the tapering body decorated with Eventide Landscape design, mounted on a Liberty Tudric pewter circular base, impressed marks including '01310' to base, height 16.5cm (restoration to rim).

Estimate: £500 - £800

Condition Report

1545. Typical overall fine crazing to the glaze. Two areas of professional restoration to the neck rim exterior, approx 2cm x 2.5cm and 3.5cm x 2cm; these join together to the interior making one area running approx 5cm vertically - well colour matched. Pinhead sized glaze flake to tubelined outline of one tree, hardly noticeable apart from on close inspection.
