

British and Continental Ceramics and Glass / Thursday, 12th July 2018 / Lot 1543

LOT 1543

A Moorcroft pottery vase, circa 1914-16, the high shouldered body decorated with Pansy design against a green ground, impressed marks and painted initials to base, height 9.1cm (restoration to footrim), together with three further pieces of Moorcroft pottery, comprising a Pansy design bottle vase (restored), a Claremont design circular cover and a Pansy design circular plaque.

Estimate: £200 - £400

Condition Report

1543. High shouldered pansy vase - typical fine crazing to glaze. Professional restoration to dark area around top of foot. Faint bruised haircrack to top rim edge. Pansy bottle vase - typical fine crazing to glaze. Professional restoration to neck, well colour matched and only really noticeable due to absence of crazing. Claremont cover - typically crazed. 4 small manufacturers glaze adhesions to main mushroom. Pansy plaque - typically crazed with some minor light scratches.
