

British and Continental Ceramics and Glass / Thursday, 12th July 2018 / Lot 1542

## LOT 1542

A Moorcroft pottery two-handled vase, the ovoid body decorated with Pomegranate design against a green ground, raised on a circular foot, impressed marks and green painted William Moorcroft signature to base, height 16.5cm (restoration to rim).

Estimate: £300 - £500

---

## Condition Report

1542. Typical overall fine crazing to the glaze. One handle cracked. Approx 1cm square restored chip to top rim exterior with clear spraying to surrounding area - not very well colour blended. A few minor and light scratches to body. There are some small white spots to some of the fruits where glaze is missing - a manufacturing issue.
