

British and Continental Ceramics and Glass / Thursday, 12th July 2018 / Lot 1536

## LOT 1536

A Moorcroft pottery vase, circa 1918-26, the tapering body decorated with Claremont design, impressed marks and painted initials to base, height 10.7cm (restoration to rim).

Estimate: £200 - £400

## Condition Report

1536. Professionally restored chip to rim of vase reaching approx a quarter of the way around the circumference and approx 1cm vertically - it is only really noticeable due to the absence of crazing here. Otherwise the vase is in good condition with the expected glaze crazing overall.
