

Jewellery / Wednesday, 11th July 2018 / Lot 512

LOT 512

A gold faceted rectangular and ridged circular link watch Albert chain, fitted with a gold swivel, length including swivel 37cm, and a gilt metal mounted oval pendant locket.

Estimate: £220 - £260

Condition Report

512. Chain is in overall good condition with no significant damage or repairs. Typical light wear and surface scratches. Chain is unmarked but looks to be 9ct. Pendant has some wear to gold plating on edges, otherwise good condition.
