

Jewellery / Wednesday, 11th July 2018 / Lot 513

## LOT 513

An emerald and diamond square cluster ring, mounted with the rectangular step cut emerald within a surround of twelve circular cut diamonds, ring size approx P.

Estimate: £140 - £180

---

## Condition Report

513. Overall condition is fairly good with no significant damage. Typical surface scratches and wear. The shank is a little thin at the back. The ring is not hallmarked but it looks like white gold and would suggest it is circa 1930s, maybe a touch later. The head of the ring is approx 0.8cm x 0.8cm.
