LOT 484

A gold, opal and rose cut diamond oval cluster ring, mounted with the oval opal within a surround of rose cut diamonds, detailed '18ct', ring size approx N1/2, with a case.

Estimate: £250 - £300

Condition Report

484. The opal is natural and is in generally good order. No significant damage, just typical light surface abrasions. Ring is in overall good condition with typical light wear and would certainly benefit from a clean. Total dimensions of ring head 1.8cm x 0.8cm. Not hallmarked but it looks mid-20th century.
