

## LOT 1120

A William and Mary and later walnut and marquetrie inlaid longcase clock with eight day five pillar movement striking on a bell, the 10-inch square brass dial with matt centre, subsidiary seconds and date aperture, framed by a silvered chapter ring with black Roman hour numerals and outer Arabic minutes, cornered with cast and pierced amorini spandrels, the lower edge inscribed 'James Tudman Londini fecit', the hood with moulded pediment above two pairs of ebonized barleytwist columns, the rectangular trunk door with glazed circular lenticle and inlaid with three panels of well-drawn floral, bird and foliate scroll marquetrie, the plinth similarly decorated, the sides divided into panels with stringing, on ebonized bun feet, height 199cm, with pendulum and two brass weights (alterations and restoration).

Provenance: from the estate of the late John Young (1927-2017).

Estimate: £2,000 - £4,000

---

## Condition Report

1120. The clock as it is, is in good clean condition, however it has had extensive restoration and alterations throughout, and the movement and case are not original to each other. Major reconstruction with much use of new wood has taken place throughout the case. Weights are modern. To be sold as a decorator's item. Would strongly advise viewing before purchase.
