

Wristwatches and Pocket Watches / Thursday, 12th July 2018 / Lot 1074

LOT 1074

An 18th century gentleman's fusee pocket watch movement, with verge escapement and scroll pierced and engraved balance cock, the backplate detailed 'Josh Donisthorpe Loughborough No 557', the enamelled dial with black Roman numerals within a hunting scene, dial diameter 3.7cm.

Estimate: £100 - £150

Condition Report

1074. Fusee chain is broken so obviously not running. Few faint hairlines to the enamel dial. Dial has no chips or repairs.
