

## LOT 2599

A 19th century French cast gilt bronze and porcelain table lamp with applied lion's mask ring handles, height 37cm, together with a pair of 19th century gilt bronze candlesticks, later converted to table lustres and hung with glass drops, height 26cm (lacking one foot and other faults).

Estimate: £50 - £80

---

## Condition Report

2599. The metal capping at the top of the lamp has been drilled for electricity, as has the base but otherwise there is some minor surface wear to high points of bronze and some overall surface scratching to porcelain. No obvious chips, cracks or restoration to the porcelain.
