LOT 518

An 18ct gold, green stone doublet and diamond ring, mounted with four green stone doublets alternating with three pairs of small diamonds, Birmingham 1908, ring size approx N, with a case.

Estimate: £80 - £120

Condition Report

518. There is slight variation of colour to the green stone doublets. The four rose diamonds have a few surface reaching inclusions and look a little grey. The two central cushion shaped diamonds also have one or two internal inclusions. There is some loss of the hallmark as a result of sizing. Otherwise in fair condition. Weight 3.1g.
