

Jewellery / Wednesday, 8th August 2018 / Lot 725

## LOT 725

A gold, opal and diamond oval hinged bangle in a cast and scroll pierced wirework design, mounted with oval opals and circular cut diamonds, on a snap clasp, detailed '14K', inside width 6cm.

Estimate: £700 - £1,000

---

## Condition Report

725. The opals have an attractive play of multi-colours. The diamonds are drawing colour to a little grey and generally have one or two piqué inclusions. There is some slight damage to one or two of the opals in terms of surface nicks. One pear shaped opal at one end is badly chipped. The front of the bangle is slightly misshapen. Weight 43.9g.
