LOT 2016

A 17th century oak six plank coffer, the interior fitted with a candle box, raised on shaped side supports, height 49cm, width 94cm.

Estimate: £80 - £120

Condition Report

2016. All timber appears to be original. The hinges are old but not the original wire hinges. It is missing clasp for the lock and the lock plate is probably a slightly later replacement. The surface is a bit highly polished and could do with taking back a bit depending on preference of finish. The front panel is warped slightly on the right side and there is some very minor deterioration to the bases of the supports. Depth 36cm.
