

Furniture / Friday, 10th August 2018 / Lot 2120

LOT 2120

A late Victorian cream painted gesso moulded display pedestal, the fluted frieze above an overall lattice enclosing rosettes, raised on a square base, height 104cm.

Estimate: £50 - £80

Condition Report

2120. Top display - diameter 23cm. Square base - 30.7cm x 30.5cm. Relatively good condition with some overall minor chips to the gesso surface, particularly around the corners of the base.
