

Collectors' Items, Works of Art and Light Fittings / Friday, 10th August 2018 / Lot 2506

LOT 2506

An early 20th century Swiss Black Forest carved softwood model of an animal, standing on a rocky outcrop, height 23cm, length 21cm.

Estimate: £200 - £300

Condition Report

2506. Natural occurring crack to base and an overall sparse scattering of woodworm holes, mainly around base. Otherwise some light surface wear.
