

LOT 2618

A 20th century carved stone garden figure of a maiden dressed in long robes, her raised right hand supporting a branch of stylized acorns and oak leaves, the base similarly adorned with leaves, raised on an integral canted base, height 167cm.

Estimate: £300 - £500

Condition Report

2618. Overall good weathered condition with a few minor chips to the lower edge of its base, a few other very minor nibbles to edges.
