## Condition Report

581. Ring one: Cornelian - there are slight surface scuff marks to the surface of the intaglio. The mount has otherwise a few surface nicks and scratches. The ring would benefit from careful professional cleaning. Weight 4.5g. Ring two: Agate - the agate intaglio has minor surface wear and scratches to the edges. The edge of the setting is rather worn. The ring shank is rather distorted and has been restored in the past. There is evidence of glue to the back of the agate. Generally rather tired. Weight 2.1g.
