LOT 4090

A Bernard Moore red flambé glazed model of a rabbit, early 20th century, with blue and green streaky detailing and applied glass eyes, painted 'BM' monogram to interior of base, height 7.4cm.

Estimate: £80 - £120

Condition Report

4090. Minor firing crack to underside edge of footrim. Right ear re-attached to body, possibly during manufacture. The red parts of the glaze are quite pitted - particularly over the face and the left ear. There are blemishes to the glaze at the back of the right ear, again a manufacturing issue.
