LOT 89

Pierre Hubert Subleyras - Half Length Portrait of a Man, probably a Study for Saint Jerome, 18th century oil on canvas, 64.5cm x 47cm, within a carved and gilt composition frame.

Provenance: private collection; The Hazlitt Gallery; R.C. Pritchard.

Estimate: £10,000 - £15,000

Condition Report

Relined. Restored with small areas of filling and overpainting, mostly sympathetically undertaken. UV examination highlights a few circular areas to the background, the bottom-right corner, touches to the skin tones on the chest, a small area to the nasolabial fold and elsewhere. Paint a little thin from previous cleans. Some minor detritus to surface. Old varnish is just starting to discolour and arguably a little 'bright'. Frame in good condition but with minor scuffs and scratches to extremities.
