LOT 2503

A Regency penwork dome topped work box, the hinged lid and sides decorated with reserve landscape panels of buildings and trees within foliate borders, the front fitted with a drawer, the sides with gilt metal lion's mask loop handles, height 21cm, width 23cm.

Estimate: £60 - £100

Condition Report

2503. Overall consistent wear and surface scratches, fairly typical for its age and visible in photographs. Probably original handles to sides. A postcode has been inscribed to the inside of the lid in black marker. Otherwise in fairly good order.
