## LOT 2113

A set of eight 20th century Regency style mahogany bar back dining chairs, comprising two carvers and six standard, the upholstered drop-in seats on reeded tapering legs, width 54cm.

Estimate: £60 - £80

---

## Condition Report

2113. Throughout the set there are a few minor repairs to the bar back joints with two having had screw repairs. All the chairs are structurally sound but a few have quite worn surfaces to the bottom turnings on the legs. The two carvers might possibly be slightly later made than the set and are slightly lighter in colour.
