

Arts and Crafts Metalwork and Applied Art / Friday, 7th September 2018 / Lot 4052

LOT 4052

An early 20th century Arts and Crafts patinated copper mantel timepiece, the domed case with studded borders and outswept supports, the white enamel dial flanked by a pair of blue/green enameled teardrop panels, fitted with an unmarked cylinder movement, height 20cm, width 33.5cm.

Estimate: £100 - £150

Condition Report

4052. The case has an overall slightly uneven patina and has some minor surface scuffs and scratches. The patina appears to be original. The enamel and the dial all seems in good condition but the movement is not working. The balance wheel is currently loose and the escapement is replaced.
