

Clocks and Barometers / Thu, 6th September 2018 / Lot 1111

LOT 1111

A George V oak diminutive longcase clock with eight day movement chiming with a choice of Westminster, Whittington or Winchester on gongs, the brass break arch dial with chime select to arch above a matt centre and silvered chapter ring, applied plaque inscribed 'Swinden & Sons Birmingham', the hood with moulded arch pediment, above a glazed door, panelled trunk door and base, height 169cm, with pendulum.

Estimate: £80 - £120

Condition Report

1111. Overall good condition. This clock appears to be complete and in just about working order. The mechanism is dirty and some wear is evident. It would require an overhaul and clean to return it to full working order. There are no keys with this clock.
