

Clocks and Barometers / Thu, 6th September 2018 / Lot 1097

## LOT 1097

A George III oak longcase clock with eight day movement striking on a bell, the painted dial with subsidiary seconds and date aperture, inscribed 'Osmond Tisbury', the case with crossbanded decoration, height 189.5cm, with pendulum and two weights.

Estimate: £80 - £120

---

## Condition Report

1097. The mechanism cannot be removed from the case easily and this condition report reflects this. The case is in overall good condition with some evidence of a repair to the base panel. The mechanism appears to be all intact but will require a good clean to return to working order. Setting up will also be required. Dial has been repainted and is suffering from some rubbing. Hands are poor quality reproduction of a later date.
