

Art Pottery / Friday, 7th September 2018 / Lot 4082

## LOT 4082

A Martin Brothers stoneware oil lampbase, dated June 1875, the cylindrical body relief decorated with large pale green washed leaves and small blue flowers against a textured buff ground, raised on a circular foot with pierced stylized claw detail, the rim with a pierced circular design, incised marks to base 'R W Martin London 6 1875', height 31cm, with wood stand (converted to electricity).

Estimate: £400 - £600

---

## Condition Report

4082. Three small chipped areas to the pierced demi-lunes on the collar. There are some very minor hairline firing cracks to the band of leaves just under the main body. Otherwise quite a dirty surface but no major damage.
