## LOT 2004

A George III style mahogany and brass bound peat bucket, the horizontally reeded body with an applied brass overhead handle, height 42cm, diameter 38cm.

Estimate: £200 - £400

---

## Condition Report

2004. It appears to be of 20th century manufacture. At first glance it nearly looks period but a lack of patina to the mahogany and slight lack of quality to brassware makes us certain that it is 20th century, possibly first-quarter but certainly not Georgian. A slightly uneven patina overall and with some overall minor scuffs and marks.
