

Collectors' Items, Works of Art and Light Fittings / Friday, 7th September 2018 / Lot 2520

LOT 2520

After the antique - a 19th century Neapolitan dark brown patinated cast bronze figure of Narcissus, typically modelled standing on a circular base, height 61cm (break to one finger).

Estimate: £200 - £400

Condition Report

2520. Finger missing. Base has been drilled for a light fitting, as has lower arm. The hand is holding a later electrical sconce where the finger is missing. Thumb has been off and re-attached. Overall stripping to patination and typical surface wear.
