## LOT 2228

An early 20th century mahogany and gilt painted metal glazed display cabinet with canted corners, height 193cm, width 106cm, depth 39cm.

Estimate: £200 - £300

---

## Condition Report

2228. Generally good order with three original glass shelves. A few minor chips to the veneer on the base and the metal frame has probably been re-painted at some stage. The door operates well and the cabinet would need securing to the wall as when the door is open it is very front heavy.
