

Jewellery / Wed, 3rd October 2018 / Lot 663

LOT 663

A Victorian gold cased pendant locket, designed as a horse's hoof with horseshoe front, length 3cm.

Estimate: £70 - £100

Condition Report

663. In generally good condition with only a minor dent to the back which is hardly noticeable. Typical light surface scratching. The hinged back is in good working order and the glass in the interior is in good condition, however currently the glazed compartment cannot be accessed.
