LOT 2427

An early/mid-20th century Continental brass and enameled box in the form of a ladybird, length 3.8cm, another enameled brass box, an agate and gilt metal box, a Victorian silver and mother-of-pearl folding fruit knife, a silver slide-action dip pen and propelling pencil and a plated pencil holder.

Estimate: £50 - £80

Condition Report

2427. The silver slide-action pen is slightly worn and dented in places. The pencil slide is missing and therefore defective. No cracks to the silver. Dip pen slide works well and the nib is ok. The lead diameter looks like 1.2mm but cannot be sure.
