

Prints and Maps / Wed, 3rd October 2018 / Lot 181

LOT 181

An 18th century engraving with later colour, 'A Plan of the City and Environs of London...', 19.5cm x 31.5cm, within a Hogarth style frame, together with eight further maps including two by Robert Morden, all framed.

Estimate: £50 - £80

Condition Report

181. 'A Plan of the City and Environs of London...'. Some creases, offsetting and other light browning. One small patch of soiling just above text panel. Mount and backing are not archival. Frame with minor damage to corners. Unexamined out of frames. Other maps in mixed condition with some browning and creasing. Morden of Surrey looks to be laid down.
