## LOT 2003

A 19th century French Dieppe ivory mounted wall mirror of shaped outline, the oval bevelled glass within a surround of applied cherubs, dolphins and heraldic crest, all on a ground of overlapping leaves, 83cm x 53cm.

Estimate: £400 - £600

---

## Condition Report

2003. One small leaf section missing on top right. A replaced section of leaf on bottom right. There appears to be something missing on the lower frieze that would straddle the two leaves below the crown. Otherwise some overall wear and some minor chips.
