LOT 2545

A 20th century clear glass and patinated brass hanging bell lantern with circular glass smoke shield, height 60cm.

Estimate: £60 - £80

Condition Report

2545. There is a tiny nick to the edge of the 'prunt' finial on the base of the dome and some minor chips around the hole of the smoke shield. Otherwise the glass seems okay and all suspension chains are okay.
