

Collectors' Items, Works of Art and Light Fittings / Friday, 5th October 2018 / Lot 2622

## LOT 2622

A cast metal model of a Lockheed L-1049 Super Constellation aircraft with Trans-Canada Air Lines livery, labelled 'Styled & Built by Peter V Nelson', raised on a metal stand, wingspan 53cm.

Estimate: £40 - £60

---

## Condition Report

2622. A few minor surface knocks and a few small areas of very minor loss to the decals. Surface wear to tips of wings, one corner of base and slightly dirty to underside. The engines do not have propellers which we assume would have been present originally.
