## LOT 42

Samuel and Nathaniel Buck - 'The South East Prospect of St. Michael's Mount in Cornwall' and 'The South West Prospect of S. Michael's Mount in Cornwall', a pair of etchings with engraving and later hand-colouring on laid paper, published by S. & N. Buck circa 1739, each 34cm x 84.5cm, both within gilt frames.

Estimate: £60 - £100

---

## Condition Report

42. Both with light browning slightly heavier around the edge of the frame. Old light creasing. The right margin of both has a small blemish. Both have the appearance of being laid down but neither have been examined out of their frames. Both frames with some scuffing.
