Condition Report

1294. All books are in generally good condition, some in excellent order. No writing, highlighting or marks to insides, other than a few with minor pencil inscription on front pages which would easily erase. Two of the Japan Publications books (numbered 11 & 22) are inscribed 'Arita' and 'Ming' on the spine of the dust jacket. Some of the dust jackets are torn, the worst being 'Arts of Korea' and 'Corean Pottery' and a section of dust jacket missing at top on 'The Birth of Japanese Art'.
