LOT 1076

A Chinese inlaid lacquer rectangular panel, Kangxi period, inlaid with vari-coloured hardstones and mother-of-pearl with a scene of two exotic birds perched on a gnarled branch of a fruiting peach tree above rocks and flowers, on a black ground, the frame with red detail and fitted with a brass suspension loop, 77cm x 43cm (some faults).

Estimate: £80 - £120

Condition Report

1076. Few minor repairs but the vast majority of inlay is present. Black ground has fairly heavy craquelure. Frame has numerous chips, scuffs and losses, particularly to corners. Would benefit from cleaning and restoration. Most of the condition issues can be seen in the images on our website using the close-up feature.
