

Jewellery / Wed, 31st October 2018 / Lot 612

### LOT 612

A gold, jade and diamond ring, collet set with the oval cabochon jade between diamond set curved shoulders, mounted with two rows of circular cut diamonds, detailed '18K 750', ring size approx Q.

Estimate: £200 - £300

---

### Condition Report

612. There are a few small black inclusions to the diamonds visible with a x10 loupe, otherwise in good condition overall. Total weight 11.5g. 1.4cm long, 1.1cm wide, cannot determine depth exactly but appears quite shallow, perhaps 2-3mm deep.
