LOT 519

A white gold, sapphire and diamond three stone ring, claw set with an oval cut sapphire between diamond set single stone sides, detailed '18ct', ring size approx L1/2, sapphire weight approx 1.74ct, total diamond weight approx 0.44ct, with a case.

Estimate: £800 - £1,200

Condition Report

519. The sapphire is of medium colour saturation with a light mauve hue. The sapphire has possibly been treated to enhance colour and clarity and there are a few surface marks by two of the claws. The two diamonds slightly draw colour and have one or two internal inclusions. One of the diamonds also has a faint line running across two-thirds of the table facet. The ring is fairly modern. Weight 3.6g.
