An early 20th century base metal cased keyless wind open-faced Goliath pocket watch, the enamelled dial with black Roman numerals, subsidiary seconds and inscribed 'Elkington', case diameter 13.7cm (hairline crack to dial).

Estimate: £70 - £100

Condition Report

1096. Winds smoothly and runs, but please be aware we give no guarantees to working order or reliability of any clock or watch. Crack running across the dial through the subsidiary seconds. Also a crack/bruise next to the 10 o'clock numeral. Case is a bit worn with typical light surface scratches. Case number is '3405673'. Inner case snaps closed nice and tightly. Case back also closes tightly with some typical scratches to opening. Front bezel also in good order with no apparent damage to glass.
