LOT 1063

A Movado Automatic 431 gilt metal fronted and steel backed gentleman's wristwatch, case diameter 3.3cm, and three other gentlemen's wristwatches, comprising Mido Multifort, Croton Aviator Sea Diver and Enicar Ultrasonic Automatic.

Estimate: £80 - £120

Condition Report

1063. Croton - the crown winds and adjusts smoothly. The top button does start the chronograph but it sticks every 5 seconds or so and only starts again with a shake of the watch. It does pause/stop fully when pressed again and bottom button does reset as it should. Case in overall generally good condition with typical light surface wear and scratches.
