

Wristwatches and Pocket Watches / Thu, 1st November 2018 / Lot 1058

LOT 1058

An Omega Automatic gilt metal circular cased gentleman's wristwatch, case diameter 3.1cm, and an Omega Automatic steel cased gentleman's wristwatch, case diameter 3.5cm.

Estimate: £80 - £120

Addition Information

1058. Omega silver coloured watch - currently running, but when back was opened to photograph the movement it became apparent that a small piece of the movement was not secured and was laying loose. This has now been taken out and put in a bag to keep it safe. It is available with the lot and will require screws to secure it back in place.

Omega gilt watch - not running.
