LOT 1108

A Chanel J12 Paris diamond and white porcelain dress bracelet wristwatch, the signed silvered dial with centre seconds and a date of the month aperture, the surrounding bezel mounted with two rows of circular cut diamonds, the case back detailed 'D.N.23788' (the winding button lacking the central white porcelain bead), the bracelet with a fold-over stainless steel clasp, detailed 'Chanel Swiss Made', case diameter 3.5cm.

Estimate: £500 - £700

Condition Report

1108. Overall appears to be in good condition. It is not currently working. Case has typical light surface scratches to bezel edge and a little dirty under the bezel so would benefit from a clean. Bracelet also appears to be in good order but again a bit grubby between the links so would benefit from a clean. Clasp snaps together nice and tightly. Dial nice and clean.
