

Clocks and Barometers / Thu, 1st November 2018 / Lot 1187

LOT 1187

A late Victorian silver cased carriage timepiece, the French movement with platform escapement, the circular enamel dial with black Roman numerals, the rectangular case with simulated woven bamboo decoration, fitted with a swing handle, on ball feet, London 1893 by GB, height 10cm.

Estimate: £200 - £300

Condition Report

1187. Case in good condition. Back door closes but gapes slightly. Hallmark to base slightly rubbed. Dial is in good condition. The movement is ticking but does not appear to maintain power for more than a few seconds or so.
