

Clocks and Barometers / Thu, 1st November 2018 / Lot 1181

### LOT 1181

A William IV figured mahogany stick barometer, the silvered dial with vernier scale and inscribed 'Bellotti & Guger, 16 Charles St Hattn Garden London', the case with brass acorn finial and swan neck pediment, the moulded trunk with mercury thermometer above a turned cistern cover, height 100cm.

Estimate: £250 - £350

---

### Condition Report

1181. The case is in generally good clean condition with no significant damage or repair. Swan neck pediment is missing the two circular mouldings and the two small quarter mouldings beneath the glazed case look like they are replacements. Glass and dial in good order. Winding button works.
