LOT 1205

An early 20th century silver gilt and enamel miniature bedside timepiece, the circular enamel dial with black Arabic numerals, the front and sides with salmon pink enamelled panels, the back with hinged door, on turned feet, height 5.5cm (minor faults).

Estimate: £200 - £400

Condition Report

1205. Overall good condition. It winds smoothly and is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch. Dial in good clean condition. Enamel panels appear to be in good condition with no significant damage or repairs. The silver looks like it was all gilt but some of the gilt has worn back to the silver on the case banding and back door.
