LOT 2105

A pair of late 19th century Italian mahogany and walnut banded commodes, the inset veined grey marble tops above three drawers, on square tapering legs, height 96cm, width 128cm, depth 60cm.

Estimate: £4,000 - £6,000

Condition Report

2105. General condition is good with some minor surface faults to veneer, as well as typical surface scuffs and scratches. However, on closer inspection I would add my opinion that these appear to date from the late 19th century and not the late 18th century.
