LOT 2184

A pair of early/mid-20th century oak five section Globe Wernicke style stacking bookcases, height 216cm, width 87cm, depth 46cm.

Estimate: £500 - £800

Condition Report

2184. They do not appear to have any woodworm. Both cabinets are quite scuffed, particularly to the interior but also quite surface marked to the exterior. In need of a re-polish. Once set up properly they are structurally sound but this can be quite tricky with this particular type of bookcase. One glass is broken and there are a few small chips to the edges of some of the wooden corners of door frames.
