LOT 2559

A pair of late 19th/early 20th century tole painted tin and sectional glazed wall lights of angular form, height 80cm, width 47cm, together with a matching smaller wall light, height 57cm (faults).

Estimate: £60 - £100

Condition Report

2559. Difficult to be too detailed but basically they are in barn-found condition with rust to all the metal surfaces, some sections of metalwork missing and a few of the glass panels are broken. One of the pair and the smaller light have a broken mirror panel to the interior.
